Getting settled and finding your way

**Support for people relocating to  
Germany**

## You can find help here if:

- You need to speak with administrative offices or need to make appointments
- You don't understand forms or letters
- You are looking for a language course
- You have a degree from your home country and don't know how it will be recognized and/or accepted
- You have other problems, such as with your new residence
- You don't know where else to turn

**You're welcome  
to stop by!**

## Who can come?

The Integration Assistance Point is for **all persons migrating or fleeing to Germany**, regardless of residency status or how long they have been in Germany.
